

I am so so grateful to be a part of this school. To know that my children's souls are not only safe there but actually growing in spirituality, by leaps and bounds, amazes me every day.

My [K4] son now, on his own, will sit at his little table at home and say his own grace. He wants all his "Jesus pictures" he brings home hung up in his room. He already sees that his faith is not just something to do at home, but all the time with anyone, anywhere. Our [2nd] son is our little reminder to say grace if it happens to slip our mind whether we are in a restaurant or at home.
